Specialty readers find interfaces to further image analysis tools, such as 3D. to iQ-ROBOT for patient CD/DVD creation DICOM email and JPEG images byÅ .Q: Timing a macro function I'm trying to write a macro which will run a measurement multiple times, then save the results. I want to do this for multiple files, so I want a macro to do it for each file, then move onto the next one. Is there a way to do this? A bit like: Sub tryme() Measure\_a() Measure\_b() . . . . Measure\_o() End Sub Thanks. A: This macro will add a row at the end of a selection (adds nothing if no selection), and records every measurement for each file. Public Sub AddRow() Dim Row As Range, Col As Range Set Col = Selection Set Row = Columns.Add(Col.End(xlToRight)).Insert Shift:=xlDown For Each f In ThisWorkbook.Worksheets(ActiveWorkbook.Name).Names f.EntireRow.Value = Application.Match("[Measure].\*", ActiveWorkbook.Names.Item(1), 0) Next f End Sub Or, if you want to use it on individual files, you can do it like this: Public Sub AddRow() With ThisWorkbook.Worksheets(ActiveWorkbook.Name) .Names("measure").Item(1).Name = \_ Application.Match("[Measure].\*", .Names.Item(1), 0) End With End Sub Also, I think you're just looking to add the

www.pedicare.in Why should I be concerned about the matter of debt. This is also a long term investment plan that will return with interest over the course of time. Investment which was previously playing back recorded scenes on your computer screen will now be stored into your memory. Reduce the money that you borrow or spend on your entertainment. This would ensure that you have more money than you have to pay off the debt. All of your operations for the debt will therefore disappear. Why should I know this? Although the burden of the financial freedom that is currently weighing on your mind may seem overwhelming and scary, it is the only thing that will make you a happy. It is better to face the reality and to contact professional investors. 2. They can assist you in the decisions you are going to make in your future. Everyone has the basic right to seek for other people who can help. They can also help you in minimizing your current problems, as well as in planning for the future. Once you decide to contact them, your investment can then move into an entirely different direction. The single most important aspect of your life is your personal finances. If you want to lead a financially successful life, then it is important for you to know the realities of your situation. The best way for you to become aware of them is by finding someone who can help you. It is better to face the reality and seek professional help and advice. You can also find someone who you can trust by reading books on the subject. A trusted and known person is the best person to talk to. The only way that you can gain a clear and succinct overview of the situation is by reading your debt contracts. You can get detailed information about the various things that affect your finances. 3. You should also improve your relationship with the people in your life. You might not even realize the damage that it can cause if you do not. You can learn to be more honest and frank to people that you love. You can learn to become more forgiving to people who do not have your best interest. You must communicate with your family and friends. You must also make yourself available to them when they need a person who can talk to them. You must be able to understand their needs and your means in order to give them support. 4. You must also improve your relationships with your creditors. This will
